CAREER COUNSELLING IN MANAGEMENT

22-12-2016

Gita Niketan Awasiya Vidyalaya added one more feather in its cap by conducting a Career Counselling session through VIDEO CONFERENCING for the students of 10th and 11th class. The school's alumnus and key speaker of the program Mr.Prakash Kalothia , C.E.O and Managing Director of Lapis India Capital Advisors Pvt.Ltd.Mumbai , had an interactive session with the students .During his enthusiastic interaction with the students , he answered the queries and motivated them to listen to their inner voices and excel in what they are passionate about .

He further added that hardwork , patience and endurance are keys to be successful.A person must practise hard where he is lagging behind. It is really important for the youth to listen and stay bonded with their parents as they are the first hand source of moral values one must acquire in one's life.He was overwhelmed with joy to get the blessing of his teachers , who taught him during his stay in the school .In a nutshell, the session was quite productive and fruitful.
