

New Session Hawan

03-04-2018

A new morning a new hope and a new enthusiastic beginning, yes we have stepped into a new session. A very warm new session began with the sacred Hawana. Faculty members prayed for the better future of the students. Orientation program for the parents was taken up side by side so that they may not face any problem in the coming session. Students were also induced to the new atmosphere and new teachers, they enjoyed their first day in new school.
