

National Deworming Day

31-08-2017

To combat the situation of 'worm infection' in India, Ministry of Health and Family Welfare launched the National Deworming Day on Feb 2015. Today in morning assembly, a lecture was delivered by Dr. Gargi Sharma depicting the day's importance and government measures to improve the children Health. During recess, the deworming tablet Albendazol was chewed by each and every student of Gita Niketan.
