29-05-2017

God has bestowed everyone with some special quality. Keeping this view in mind today a talent show was organised for the students at Gita Niketan Awasiya Vidyalaya, KKR. School's annual talent show is a great opportunity for the students to share their special gifts and enhance their personality. Student's exhibited their talents in diverse fields be it singing, dancing, acting or playing instruments

The program initiated with Ganesh Vandana by Kashish, Aashima and Isha which held the audience spellbound. A well known devotional song "bta mere yaar Sudama re" by Meenakshi and group. left the audience awestruck. A skit by Bhavya and group was really an eye opener in which the little artists vowed the audience with their well articulated and well expressed acting. A patriotic poem dedicated to Indian army by Swasti raised our goosebumps.

The activity was one of its kind and it was amazing to see the students performing with utmost confidence and grace. The principal, Dr. Rishi Goel and the faculty members appreciated the efforts of the students.
